TWO CENTS

A COLLEGE MAN, STUDYING FOR CLERGY, DROWNS HIMSELF

A STUDENT WALKS INTO THE RIVER

Charles Nutt of Rices Landing, a Biblical Scholar At Waynesburg College, Drowns Self in the Monongahela River

STUDYING FOR MINISTRY

Believe Act Is Caused By Overstudy. Temporarily Unbalanced Mind of Young Man—Eye Witnesses Go to His Rescue. But Too Late to Save Him

Charles E. Nutt, aged 27 years, son of Mr. and Mrs. Joseph Nutt of Rices Landing, committed suicide at 3:30 yesterday afternoon by walking into the Monongahela river, a short distance below Lock No. 4.

The young man arrived at the Lock Wednesday night for a visit with his father, who is employed at the Government works at Lock 4, and was in the best of spirits during the evening. No reason can be given for his rash act. Employees of the Pittsburgh Steel Company of Monessen, directly opposite the scene of the tragedy, saw the man disappear beneath the water and gave the alarm. Aid was rushed to the river shore at once, but too late to save the man's life. His body was taken from the river at 4:40 and removed to the undertaking establishment of Lawrence B. Frye of this place.

A note, which was hastily scribbled to his mother states substantially that the world was against him; that he had striven to build up a life for the glorification of God and for the benefit of his fellow-man; and a further request to be buried beside his grandmother; that his mother must not worry for he is right with God.

Nutt was a student at Waynesburg college and studying to be a preacher. He was seemingly contented with his work.

Besides his parents he leaves two brothers and two sisters. Mrs. Noel Rodgers of near Rices Landing; Mrs. Ira Nutt, George Nutt and Joseph Nutt, all at home.

The body was taken to his late home in Rices Landing this morning, where funeral services will be held Sunday afternoon at 1 o'clock.

COPS BELIEVE HAVE NATATORIUM THIEVES

Pittsburgh, June 6.—Three more bandit suspects were lodged in the city jail today by police who believe they have in their custody the entire bandit gang which held up the Pittsburgh Natatorium early last Sunday morning and escaped with watches, jewelry and cash valued at \$3,000. The last three arrested were taken into custody by Cleveland authorities, following the confession of a member of the gang in Pittsburgh yesterday.

The men were brought back to Pittsburgh by motor and were in charge of Edward O'Rourke, Daniel Ambrose, and City Detective David Corbett and Ed Harkins. All the loot, with the exception of several hundred dollars which had been spent by the gang, was recovered.

RETURN TRUE BILLS AGAINST ACCUSED BOYS

Chicago, June 6.—True bills against Nathan P. Leopold, Jr., and Richard Loeb, youthful millionaire slayers of 13-year-old Robert Franks, himself the son of a millionaire, were returned in criminal court today, setting the exact charges against the two young intellectuals in the most unusual kidnapping and murder case in Chicago crime annals.

The two brilliant young university students were indicted last night, charged with murder and kidnapping for ransom—both crimes punishable by hanging under the laws of Illinois.

The shorthand notes, signed by the two students, in which they confessed the hideous crime, were presented to the grand jury and made public. In them Leopold and Loeb told in calm detail how they lured the schoolboy into their hired motor car, hit him on the head with a covered steel chisel, drove to the outskirts of the city and crammed the body in a culvert, after smearing the face with hydrochloric acid to make identification difficult.

Verdict Given For Plaintiff

A verdict of \$936.60 for the plaintiff was returned yesterday afternoon in the case of the Smith Coal company of Monongahela, against the receivers of the Pittsburgh Railways company, a suit to recover damages for a truck hit by a street car of defendant company in Main street, Monongahela, August 29, 1923.

Contributory negligence was alleged by the Pittsburgh Railways company in the suit of the Smith Coal company. It was alleged that when the truck was backing into the alley it stopped after it cleared the car track. The motorman thought the way was clear and went ahead with the car. It is alleged that the truck started suddenly and the front of it went onto the car track. The electric car struck the front of the truck. There was considerable dispute as to the value of the truck.

TWO NEW CASES AT DONORA

At a time when the health authorities were congratulating themselves that the smallpox situation had about cleared up two additional cases developed at the home of James Parrish at the corner of Waddell avenue and Second street, Donora. The Parrish home has been under quarantine for a period of 18 days and on Monday of this week the inmates of the house were given a thorough inspection by the health officials and physicians and there was nothing to indicate that any of the occupants was threatened with the disease. Consequently the quarantine was lifted and the occupants allowed to go about their usual occupations.

Very unexpectedly two cases developed Tuesday night and the quarantine had to be re-established Wednesday morning to be continued for a period of 18 days. The men affected by the disease are John Sutton and Gullie Samuels who were at once removed to the isolation camp near Boyd's ferry where they will be detained until the trouble has run its course.

DIVER ACCUSED OF MURDER IS ACQUITTED

Chicago, June 6.—Mrs. Belva Gaetner, pretty diver, accused of the "flip coin" murder of Walter Law on March 12, was acquitted early today by a jury in the Cook County Court. Eight ballots were required to reach a verdict.

Law's body was found in Mrs. Gaetner's sedan and police who traced her through the license number found bloodsoaked garments in her apartment.

When arrested she told a story of having flipped a coin with Law to see which should take a shot at the other. Later she said she was "so drunk she didn't remember" whether she shot him or not.

VANDERLIP SAYS DRY ACT GETTING MORE EFFICIENT

Philadelphia, June 6.—Nicholas Murray Butler, president of Columbia University, is wrong in declaring the Volstead act cannot be enforced, according to Frank A. Vanderlip. The majority of persons in the United States are in favor of enforcement, and it is becoming more efficient daily.

"The churches throughout the country do not do their full duty regarding the Volstead act," Mr. Vanderlip said in an address here last night. "They should work with great intensity to down this evil."

Not a Question of Distance

There may be some people who feel that "any bank will do"—and for them, of course, the nearest at hand settles the matter.

Discriminating depositors, however, prefer to weigh values; to choose their banking connection on its particular merits, for things about it which especially appeal to them.

To these people our banking-by-mail service is invaluable because it enables them to bank here without considering the matter of distance

Richard Kelly Team Is The Attraction Here Tomorrow At 3:30

Manager Mathers and the Charleroi team are precluded from going to Morgantown, W. Va., for games tomorrow and Sunday; so Manager Mathers has arranged for the strong Richard Kelly club of Pittsburgh, which will appear here tomorrow afternoon at 3:30 o'clock.

On Monday afternoon, the contest being staged for 5 o'clock, the Clark Homestead Grays will play their first game of the season on the Charleroi grounds.

CUBS BEAT GIANTS; NOW BUT TWO GAMES FROM LEAD

While early considered as the dark horse in the National League pennant struggle, the form shown by the Chicago National League team known as the Cubs, has been surprising in season. By their defeat of New York yesterday, the Cubs are within halting distance of the lead, but two games separating them from the Giants.

It is hardly believed that the Chicago club is strong enough, individually and collectively, to cop the honors but indications are that they will have something to say about who does. Public sentiment in this locality is, naturally, with the Pirates; but if the Pittsburgh team cannot win the glad gonfalon, any club to win the flag is preferable to the New York club.

CHARLEROI SECOND IN FIELD MEET AT BROWNSVILLE

Charleroi took second place in the Track and Field meet held at Brownsville yesterday afternoon, which was given under the auspices of the Y. M. C. A. of that place. Owing to the heat, the boys were handicapped, being unable to get a foothold in the loose dirt and ashes. The following events were awarded Charleroi:

High jump, John Anthony, 5 feet, 6 inches, half mile run, Harry Toubert, Charleroi, time 2:08; mile run, Harvey Blythe, time 5:55; quarter mile, Paul Wagner, 55; relay, Charleroi, second; 220 yard dash, Paul Wagner of Charleroi, was awarded third place; shot-put, Dale Crytzer, distance, 39 feet.

NEMACOLIN CLUB HAS INTER-CLUB MATCHES YESTERDAY

Thirty-six players participated in the first dinner match at the Nemacolin Country Club yesterday afternoon, the Blacks, with Dr. A. V. Lewis and Dr. L. S. Irwin as captains, winning from the Reds, captained by Attorney Hugh E. Fergus, and J. S. Craft, by the narrow margin of 28 to 26, the Nassau scoring system being used. Play today will count in the qualifying rounds for the annual tournament of the club. Players not participating in today's rounds on Saturday and Sunday. Yesterday's results follow:

Dr. R. Buchanan, Black, defeated F. B. Theobald, Red, 2 and 0; E. L. Crawford, Black, defeated C. E. McGinnis, Red, 3 and 0; J. S. Craft, Red, defeated H. Miller, Black, 3 and 0; Dr. D. Beveridge, Black, defeated Dr. G. E. Patterson, 3 and 0; R. S. Coyle, Red, defeated E. S. McLeod, Black, 3 and 0; J. S. Claybaugh, Black, defeated H. F. Clark, Red, 2 and 1; G. D. Thompson, Red, defeated B. F. McVay, Jr., Black, 3 and 0; G. H. Burnette, Black, defeated D. A. Thalmer, Red, 3 and 0; Dr. J. M. Fulton, Black, defeated R. H. Rush, Red, 2 and 1; S. Thompson, Red, defeated H. Hertzog, Black, 3 and 0; T. H. Thompson, Black, defeated H. Jones, Red, 2 and 1; J. H. Huggins, Black, defeated R. C. Thompson, Red, 3 and 0; C. E. Sharpnack, Red, defeated Dr. R. E. Cummings, Black, 2 and 1; Dr. W. Botkin, Red, defeated G. Woodward, Black, 3 and 0; E. E. Piper, Red, defeated E. W. Patton, Black, 2 and 1; L. M. K. Cumrine, Red, defeated Dr. A. V. Lewis, Black, 2 and 1; W. C. Burns, Red, defeated K. W. Daly, Black, 2 and 1; Dr. S. L. Irwin, Black, defeated Dr. R. S. Minton, Red, 3 and 0.

WILL MEET A TEAM IN WEST NEWTON WORTHY OF STEEL

When Charleroi "crosses bats" with West Newton tonight at 5 o'clock, the game to be played on the Charleroi grounds, the locals will meet a team "worthy of their steel." As a matter of fact, Beatty, who will pitch for Charleroi, must be in as good form as the day he twirled here against Scottsdale club, and he must have as strong a lineup behind him as Manager Mathers can put upon the field, to beat the visitors.

With West Newton sending half their town here, and with interest intense on the part of Charleroi and community, folk in the struggle at the local park the game will be exciting and interesting.

PIRATES DROP THE OPENING CONTEST TO BROOKLYN, 6-2

Jacques Fournier, whose platoon has played many sweet tunes for the Dodgers, rendered a dike to the Pirates at Brooklyn yesterday afternoon when he knocked his twelfth namer of the season and the Superbas won the first clash of the series by a count of 6 to 2. The opposing pitchers were Wilbur Cooper and his former teammates, Dazzy Vance, each of whom allowed eight safeties.

Vance held a tight rein for five innings, out in the sixth he was touched for a couple of clouts, and as these followed a fielding error, one point was registered, but the Robins already had slipped two across in the second round. Another pair of Pirate swats in the ninth, on top of one more Brooklyn boot, netted the last tally for the visitors.

This would have tied up the score but for the sad fact that the Robins took a brace in the eighth and accumulated four additional markers, three of which were directly due to Fournier's aforementioned slam.

GUARD PASSES OUT.
Likened to the setting of the sun in the occidant, the Veteran Guard of Charleroi is passing out. But few surviving members, of the myriads who fought under Lincoln and Grant for the preservation and perpetuation of the Union are living; and in Charleroi their numbers have become so decimated that but three remain. These veterans, bowed with the weight of years, while still young in patriotic impulse, now formally turn over the active duties in connection with the Guard to the American Legion.

The meeting next Sunday afternoon, June 8, in the Washington Avenue Presbyterian church should be a splendid testimonial and attest of the local veterans and their services. We of today, cannot go with them over the fields where they did their duty so loyally and well, but we can by word of mouth and deed show our appreciation of them. We have little conception of what they really did for us, but we can in feeble manner, attest to them our appreciation of them. The meeting Sunday afternoon gives the public by its presence at the church a testimonial to them that speaks louder and even with more effect than words or written manifestation. We can rededicate anew with them our fealty to this country and her institutions. What we enjoy today was made possible through the sacrifices and heroic deeds of the soldiers, and to them we owe immeasurable debt of gratitude. The work of the living veterans of the Civil war is done. They are all about ready to the last roll call; let us who should be their staff and support in their remaining days, make these days so pleasant that when they answer the silent bivouac of the dead they will enter the shadows and pass through the valley unafraid, confident that the great Captain of Captains will greet them on the further shore with a "Well done, good and faithful servant."

LEGION WEEKLY AT DISPOSAL OF SOLDIERS

Charleroi Post No. 22 has 500 copies of the American Legion Weekly at the disposal of ex-service men. Each copy is an adjusted Compensation Manual or Hand book. Ex-service men can secure the same free of charge at the Dugout any day during the week of June 5 to June 15, between the hours of 2 to 4 p. m., and 7 to 9 a. m.

This Victory number of the Weekly contains all the information the soldiers need for filling their application for adjusted compensation. Get your copy, have the "dope" ready for the official forms of Application blanks, which will be on hand at the Post headquarters for your convenience within a week or two. Get ready to go "over the top," the Post members say "let's save the government all unnecessary expense," and they are at the service of the ex-service men. If you have a special case they can assist you in adjusting it.

The Post committee will be glad to wait on any ex-service man, regardless of his status.

By taking prompt advantage of this first step you will help the Post render you a systematic and prompt service.

The above service as mentioned, was planned at the regular meeting of the Post last night. Splendid committee reports were rendered by Mr. Thomas, chairman of the Memorial Day committee, and by Ban Roberts, chairman of the Boy Scout committee.

Coal in Eastern Siberia.
The presence of coal in eastern Siberia has been known for many years, and since the construction of the first railways through that region lignite and soft coal mines convenient to transportation have been worked. The total known deposits on the mainland contain some 625,000,000 tons, part of which is hard coal.

BABCOCK MAY RUN AGAINST W. A. MAGEE

Pittsburgh, June 6.—There is talk here that E. V. Babcock, who preceded William A. Magee as mayor of Pittsburgh, will oppose Magee if he seeks a second term as city executive. An act of the 1923 legislature makes it possible for Magee to run again, a privilege denied Babcock when he was mayor.

Gets Pleasant Surprise

"About 6 months ago my father was very sick with his stomach, which had been troubling him for several years. Three doctors said he had cancer and one said it was gall stones— all agreed an operation necessary, but on account of his age I was afraid to risk it. I told a friend about it, who said his wife had been through the same trouble and had been cured by taking May's Wonderful Remedy. I at once bought a bottle for father and he is now strong as a bear and can eat more ham and cabbage than any three men." It removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments.

Mother Tells Very Remarkable Story

Son Underweight and Delicate For Seventeen Years Is Now Strong and Well

Sulac Given Credit For Restoring Health

Remarkable New Remedy Continues Its Early Record of Sensational Successes

Every mother who has seen her children suffer from indigestion, constipation and the other forms of stomach trouble that have compelled her to deny them the candy and sweets that other children thrive on will be interested in the following statement made by Mrs. Boyd Shick, of New Bethlehem:

"Ever since my boy was a baby he has been delicate and underweight. He has suffered constantly with his stomach, and constipation. Always took cold easily and nothing we ever did for him would make him gain weight or strength.

"Every time he would eat candy or sweets like the other kids, he would have a terrible spell. We have bought all kinds of medicines for him but they did not help. So far he has taken four bottles of Sulac and it has worked wonders with him. Indigestion and constipation are all gone, he eats anything he wants and is gaining weight right along. I can truthfully state that Sulac has done the work for him. I have recommended it to friends of mine and I am glad to tell anyone that Sulac is the best remedy I know of for Stomach trouble and Constipation.

Yours very truly,
Mrs. Boyd Shick
New Bethlehem, Pa.

Sulac is a certified product of the Southern Laboratories of Atlanta, Georgia, and was brought to Charleroi only after our enterprising druggists had convinced themselves of its wonderful success in other territories. It is highly recommended for constipation, heart burn, indigestion, gastritis, loss of appetite, stomach catarrh and other forms of stomach trouble.

You can try Sulac with absolutely no risk. Go to your druggist and buy six bottles. If after taking them you are not perfectly satisfied, ask for your money back. The manufacturers authorize your druggist to make this offer. Sulac is sold in Charleroi by Henning's Drug Store, and high class druggists almost everywhere. If you happen to live in a town where it cannot be had, write direct to the Southern Laboratories, 58 Eugenia Street, Atlanta, Ga., and it will be sent you postpaid at the regular price of \$1.00 per bottle.

Sulac is sold in Charleroi by Henning's Drug Store.

A Talk With a Charle-
roi ManMr. Fletcher Tells Something of In-
terest to Charleroi Folks.

There's nothing more convincing than the statement of someone you know and have confidence in. That's why this talk with Mr. Fletcher of Meadow Ave., should be mighty helpful here in Charleroi.

John Fletcher, Sr., miner, 1001 Meadow Ave., says: "Working in the dampness affected my kidneys. Knife-like pains darted through my kidneys when I stooped and to straighten was difficult. Mornings my back was so stiff and sore I ached all over. My kidneys became sluggish and the excretions were unnatural. Doan's Pills from Piper's Pharmacy drove all signs of the trouble from me."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Fletcher had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

"My bakings used to be a matter of 'hit or miss'—sometimes they were successful; then again a total failure, no matter how hard I tried. But that was before a friend persuaded me to try Calumet. Now I know what the result will be—what to expect every time—perfectly raised, uniformly baked foods. Bake day is really a delight."

Baking Powder plays an important part in the success or failure of your baking. The great American housewives all realize this. They have found by experience that a better leavener is not, and cannot be made—that for nutritious and wholesome foods it has no equal.

Calumet is made in the World's largest baking powder factories; human hands never touch it.
